

Accessibility Statement

Effective Date: July 15, 2026

America's Software Corporation is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability. We believe all users should be able to access our information, products, and services with ease.

We strive to design and maintain our website in accordance with the **Web Content Accessibility Guidelines (WCAG) 2.2 Level AA** and continuously review our website to identify and address accessibility issues as standards and technologies evolve.

Ongoing Accessibility Efforts

Our accessibility efforts include:

- Designing pages to support keyboard navigation.
- Providing meaningful alternative text for images where appropriate.
- Maintaining sufficient color contrast for readability.
- Using descriptive headings, labels, and link text.
- Testing key pages for accessibility and usability.
- Correcting identified accessibility issues as part of our ongoing website maintenance.

Feedback

We welcome your feedback on the accessibility of our website. If you experience difficulty accessing any content or functionality, or have suggestions for improvement, please let us know.

Email: Taleval@icloud.com

When contacting us, please include:

- The webpage or feature you were attempting to access.
- A description of the issue you encountered.
- The device, browser, and assistive technology (if applicable) you were using.

We will make reasonable efforts to respond promptly and work toward providing the information or assistance you need.

Third-Party Content

Some portions of our website may contain links to third-party websites or services that are not controlled by America's Software Corporation. While we encourage our partners to provide accessible experiences, we cannot guarantee the accessibility of third-party content.

Continuous Improvement

Accessibility is an ongoing effort. We are committed to continually improving the accessibility and usability of our website as technologies, standards, and user needs evolve.
